### FROM STAFF REPORTS

ProBono NY and VLSP on Aug. 20 paired up to host a workshop for area attorney artists looking to be inspired and create pieces to be sold as part of the upcoming Art of Lawyering fundraiser.

Attendees worked with glass, metal, tiles and even hand-crafted jewelry after enjoying a happy hour at the Studio 34 Creative Arts Center in Rochester's Neighborhood of the Arts. More photos of the event can be found on page 10.
